C. Request to Produce with certificate of service dated August 20, 2005 – Colonial Bank and Paypal records

1. A detailed listing of the records disclosed.
2. Copies of all the documents obtained from Colonial Bank and Paypal, Inc. to be admitted as evidence in court.

For the August 20, 2005, Request to Produce you have indicated this evidence is available for inspection at your office. You are aware that it is extremely inconvenient and prohibitively expensive for me to travel across state to view your evidence. Offering the evidence in this manner effectively prohibits my access to them.

Sending this information to me is not burdensome and offering the evidence in your office deviates from your previous methods in complying with requests to produce. I respectfully request that you reconsider imposing this restriction and to mail copies of the documents in the normal manner as you have in the past.

Since time is of the essence, you are requested to send me all the requested information within ten (10) days of the date hereof.

Respectfully yours,

William A. Cabana
